iLearnNYC is an online learning portal designed to broaden and enhance your school's course offerings. It is available to all K-12 New York City schools.

You can use iLearnNYC to complete courses or projects, connect with students from other schools, and, if needed, recover credits. iLearnNYC courses include advanced placement (AP), world languages, electives, and more.

The best part about iLearnNYC is that you can complete coursework anytime, anywhere. You just need a computer and internet access.
